

AUDITORIUM

Our new state-of-the-art tiered auditorium is without equal in the area. This intimate room accommodates 100 people in a presentation environment that still allows the free exchange of ideas by the participants. The front of the room rear screen projection capabilities are ideal for presenters using Power Point on their laptops. Simply plug in and go. The attendees will enjoy the ergonomic chairs and roomy desk tops and will be able to focus on the presentation with no distractions.
